Go to [www.emap-project.webnode.cz](http://www.emap-project.webnode.cz) and download lectures given by Erasmus Mundus coordinators who share with you their **experience in running Erasmus Mundus joint study programmes.**

Find out more about various aspects of the joint study programmes such as **course integration, partnership, student selection, student facilities and support, course management, visibility and sustainability, or quality assurance and evaluation.**

Erasmus  
Mundus

## DID YOU KNOW?

- > **Erasmus Mundus** is an EU programme which aims to enhance the quality of higher education and promote dialogue and understanding between people and cultures through mobility and academic cooperation. One of its actions provides support for high-quality joint programmes at postgraduate level that contribute to the increased visibility and attractiveness of the European higher education.

- > The lectures are one of the outcomes of the **EMAP 2 project** (Erasmus Mundus Active Participation, Vol. 2, 2010–2012), which is a common activity of Erasmus Mundus National Structures and aims to enhance the participation of higher education institutions in Erasmus Mundus joint programmes. During 2010–2012 the project partners organized 4 training seminars in order to help them to prepare high quality project proposals.
